How to find us in Wiesbaden

By car

From highway A66 (Frankfurt-Wiesbaden) take exit „Wiesbaden-Erbenheim Nord“, stay on the right track which takes you directly to the exit „Erbenheim“. After 200m you turn left at the traffic light – now you are on Berliner Strasse! Go straight for another 300 m. On the right hand side a little backed off the road you see a white three-storey building with a distinctive, barrel-shape roof. Use the parking space in front of the building (we open the barrier for our guests by remote control).

By train

From Wiesbaden main station you can go by bus (line 28, direction „Mainz am Brand“, exit at „Im Hahn“) or take a taxi (5-10 minutes ride, app. 9,- Euro).

By plane

Take a taxi or the train from Frankfurt airport. The taxi ride is 15-20 minutes and the price will be app. 40,- Euro. The trains for lines S8 and S9 stop right below the airport and will take you to Wiesbaden main station in about 35 - 40 minutes.
